

# First Alaskans Institute

2020 APPLICATION

Open 7/17/2020

CULTURE CAMP SUPPORT AWARDS:

**Purpose:** The First Alaskans Culture Camp Support Fund was created to provide financial support to Alaska Native culture camps across the state that are deeply impacted by the current pandemic. Culture Camps are critical to our peoples' well-being and we look to the leadership of the camps to find innovative and safe ways to offer virtual and/or physically distant camps or cultural learning and activities as best suits their community. This funding is made available through grant support from First Alaskans Institute, RurAL CAP Foundation, Alaska Humanities Forum and the Rasmuson Foundation. Applications will be accepted on a rolling basis until all funds are allocated. Funds are limited, so we thank you in advance for understanding that we may not be able to fund every applicant or fund every project at the amount requested. Awarded funds can be retroactive to January 1, 2020 and grants must be closed out by December 31, 2021. Please email this completed application to: [leadership@firstalaskans.org](mailto:leadership@firstalaskans.org)
